The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go carts, golf carts, trucks, campers, buses, vans and automobiles. The term "Parking spaces serving the Lot" shall refer to the number of garage parking spaces and if, and only if: the Owners and Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Owner or Occupant's primary means of transportation on a regular basis may be parked on the driveway serving such Lot; provided, however, parking on a driveway shall only be permitted if such driveway is large enough to fit the vehicle(s) without the encroachment of such vehicle(s) onto any streets or grassy areas in the Community. All parking shall be further subject to such reasonable rules and regulations as the Board may adopt from time to time.

(b) Garages. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. Garages shall be used primarily for the parking of vehicles and not for other purposes; provided, however, use of a garage for storage shall be permitted provided such storage does not prevent an Owner or Occupant from parking such Owner's or Occupant's vehicles in the garage. Garages shall not be converted to additional living space unless the same has been approved in accordance with Article 6 hereof.

(c) Guest Parking Spaces. Any and all designated parking spaces located on the Common Property ("Guest Parking Spaces") shall be for temporary parking by guests, invitees and licensees of the Owners and Occupants of Lots. Owners and Occupants of Lots shall not be entitled to park vehicles on or otherwise utilize the Guest Parking Spaces, except with the prior written approval of the Board of Directors for use on a temporary basis. All parking in Guest Parking Spaces shall be subject to the provisions of this Section and such additional rules and regulations as the Board of Directors may adopt from time to time.

(d) Disabled and Stored Vehicles. No vehicle may be left upon any portion of the Community, except in an enclosed garage or other area designated by the Board, if any, for a period of more than five (5) days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors or the appropriate authority of Forsyth County. No towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go cart, golf cart, commercial vehicle, camper, bus or mobile home shall be regularly stored in the Community or temporarily kept in the Community, except if kept in an enclosed garage or other area designated by the Board, if any, for periods longer than twenty-four (24) hours (the temporary removal of such vehicle from the Community shall not be sufficient to establish compliance with the twenty-four (24) consecutive hour provision provided for herein). Trucks with mounted campers which are used as a primary means of

transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored in the garage upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three- quarters of a ton shall be parked, kept or stored within the Community except as may be reasonably necessary to provide service to or delivery within the Community or as otherwise permitted by the Board of Directors.

(e) Commercial Vehicles. The term "commercial vehicles" as used in this paragraph, shall include, without limitation, any vehicle which bears any indicia of commercial use, including, but not limited to, writing, logos, ladders, ladder racks, vehicles displaying signage of a commercial or business nature or vehicles which are not primarily used for the transportation of passengers, all as determined by the Board in its sole discretion. Commercial vehicles shall not be permitted in the Community, except if kept in an enclosed garage; provided however, construction, service, and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service to or make a delivery within the Community.

(f) Remedies of the Association for Noncompliance. If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may cause the vehicle to be towed or booted, subject to compliance with applicable law, including any notice required thereby. The notice may be a general notice by signage or may be placed the vehicle, if and as allowed under applicable law, as the case may be. If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any landscaped area or otherwise creates a hazardous condition, the Board or agent of the Association may have the vehicle towed immediately, subject to compliance with applicable law. If a vehicle is towed or booted in accordance with this subparagraph and applicable law, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing or booting activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Notwithstanding the foregoing, the Declarant, CL-RP, any builder approved by Declarant and their respective agents, contractors, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development and build out of the Community.
